A collage of colorful, stylized city buildings and clouds on a blue background. The buildings are represented by vertical rectangles in shades of pink, blue, and teal, each featuring a small silhouette of a person. The names of ten cities are written in white, slanted text across the top of the buildings: New York, Los Angeles, Houston, Phoenix, Philadelphia, San Antonio, Chicago, Seattle, Denver, and Las Vegas. Below the buildings, there are several yellow, puffy cloud shapes of varying sizes.

*Theme reveal*

The background features a stylized illustration of various skyscrapers of different colors (pink, blue, teal) and heights, some with windows showing a cityscape. They are set against a light blue sky filled with white and yellow clouds. The overall aesthetic is modern and celebratory.
